

Forum Energy Technologies Congratulates Board Member Leslie A. Beyer on U.S. Government Nomination

February 4, 2025

HOUSTON--(BUSINESS WIRE)--Feb. 4, 2025-- Forum Energy Technologies, Inc. (NYSE: FET) congratulates Leslie A. Beyer, a member of FET's Board of Directors, on her nomination to serve as Assistant Secretary for Land and Minerals Management in the U.S. Department of Interior (DOI). Once confirmed by the Senate, Ms. Beyer would oversee multiple key agencies within the DOI, including the Bureau of Land Management; Office of Surface Mining Reclamation and Enforcement; Bureau of Ocean Energy Management; and Bureau of Safety and Environmental Enforcement.

Mr. Neal A. Lux, FET's President and Chief Executive Officer, stated "Leslie is an extraordinary leader with a proven track record, and her extensive experience enhances board room discussions. Leslie's focus on key energy issues throughout her career demonstrates the deep commitment she has to our industry. She is an excellent choice as our country navigates critical energy challenges."

Ms. Beyer joined FET's Board of Directors in December 2023. She is a member of FET's Nominating, Governance & Sustainability Committee and the Compensation and Human Capital Committee.

FET (Forum Energy Technologies) is a global manufacturing company, serving the oil, natural gas, industrial and renewable energy industries. With headquarters located in Houston, Texas, FET provides value added solutions aimed at improving the safety, efficiency, and environmental impact of our customers' operations.
