Forum Energy Technologies Announces Secondary Listing on NYSE Texas

August 18, 2025

HOUSTON--(BUSINESS WIRE)--Aug. 18, 2025-- Forum Energy Technologies, Inc. (NYSE: FET) announced today the secondary listing of its common stock on NYSE Texas, a fully electronic equities exchange headquartered in Dallas, Texas. The New York Stock Exchange continues to serve as FET's primary exchange.

Neal Lux, President and Chief Executive Officer, remarked, "We are a global company, but call Texas home. Our headquarters and almost half of our workforce are located in Texas. We are proud to join NYSE Texas as a Founding Member."

Chris Taylor, Chief Development Officer, NYSE Group, commented, "FET is a leader in the energy industry and a driver of growth and prosperity in Texas. We are pleased to have FET as a Founding Member of NYSE Texas."

FET is a global company, serving the oil, natural gas, industrial and renewable energy industries. FET provides value added solutions that increase the safety and efficiency of energy exploration and production. We are an environmentally and socially responsible company headquartered in Houston, TX with manufacturing, distribution and service facilities strategically located throughout the world.
