

## Forum Energy Technologies Announces Appointment of The Honorable Leslie A. Beyer to its Board of Directors

January 12, 2026

HOUSTON--(BUSINESS WIRE)--Jan. 12, 2026-- Forum Energy Technologies, Inc. (NYSE: FET) today announced the appointment of The Honorable Leslie A. Beyer to its Board of Directors. Ms. Beyer will also serve as a member of the Compensation & Human Capital Committee and the Nominating, Governance & Sustainability Committee.

Ms. Beyer is the former Assistant Secretary of the Interior for Land and Minerals Management at the U.S. Department of Interior. Prior to that, Ms. Beyer served as Chief Executive Officer of the Energy Workforce and Technology Council (EWTC), the global energy technology and services association representing over 650,000 employees in the energy workforce. Before joining the EWTC, Ms. Beyer spent 15 years in Washington, DC serving in policy and public affairs roles in the U.S. Senate, U.S. State Department, and White House Executive Office of the President.

Mr. Neal Lux, FET's President and Chief Executive Officer, remarked, "I am pleased that Ms. Beyer will be rejoining FET as an independent director. Her recent experience with the U.S. federal government will bring new insights and perspectives to our company. In addition, Ms. Beyer's significant industry experience collaborating with FET's customers will contribute to our robust Board discussions."

Ms. Beyer stated, "Rejoining the FET team is a tremendous opportunity to bring critical insights on the regulatory environment and energy expansion that will directly advance our strategic objectives. I am committed to working with management and the Board to realize the company's strategic vision, FET 2030."

*FET (Forum Energy Technologies) is a global company, serving the oil, natural gas, industrial, renewable energy, and defense industries. FET provides value added solutions that increase the safety and efficiency of energy exploration and production.
