Each Unit represents a contingent right to receive one share of Forum Energy Technologies, Inc. (the "Company") common stock, par value \$0.01 per share ("Common Stock"), upon the vesting of the Units. The Units vest according to the following schedule: 1/3 vest on each of the first, second, and third anniversaries of the date of grant (2/19/2021). The Units will be forfeited upon a termination of employment prior to vesting, except in limited circumstances. The Units also include dividend equivalent rights that entitle the reporting person to the same dividends that would be payable were the shares of Common Stock underlying the Units actually outstanding at the time such dividends were issued. The credited dividends will be paid concurrently with the issuance of the shares of Common Stock to the reporting person.
- These shares were surrendered to satisfy the tax obligation related to the vesting of a restricted stock unit award granted on February 20, 2017.
- These shares were surrendered to satisfy the tax obligation related to the vesting of a restricted stock unit award granted on February 21, 2020.
- Represents an award of cash-settled phantom units (the "Phantom Units") granted pursuant to the Plan. Each Phantom Unit represents a contingent right to receive a cash payment equivalent to the fair market value of one share of Common Stock, upon the vesting of the Phantom Units. The Phantom Units are divided equally into three tranches and there are two conditions for vesting of each tranche: (i) achieving a minimum stock price threshold and (ii) continuous service. (Continued on Footnote 5)
- In respect of the minimum stock price threshold, the closing price of the Company's Common Stock must equal or exceed a threshold price of \$23.49, which is 125% of the Company's closing stock price on the grant date, for a total of twenty trading days during the following time periods: Tranche 1: grant date through the third anniversary of the grant date; Tranche 2: first anniversary of the grant date through the third anniversary of the grant date; Tranche 3: second anniversary of the grant date through the third anniversary of the grant date. (Continued on Footnote 6)
- The continuous service requirement will be met with respect to the Phantom Units as follows: 1/3 on each of the first, second, and third anniversaries of the grant date. Vesting for any tranche will occur on the applicable anniversary date on or following satisfaction of the minimum price threshold condition. The Phantom Units will be forfeited upon a termination of employment prior to vesting, except in limited circumstances. The Phantom Units also include dividend equivalent rights that entitle the reporting person to the same dividends that would be payable if the Phantom Units were shares of Common Stock outstanding at the time such dividends were issued. The credited dividends will be paid concurrently with the settlement of the Phantom Units.
